

A New England - Kirsty MacColl

[C] [G] [F] [C]

[C] I was twenty one years when I wrote this song

I'm [G] twenty two now, but I [Am] won't be for long

[F] People ask when will I grow [C] up to understand

Why all the [G] girls I knew at school are al[F]ready pushing [C] prams

[C] I loved you then as I love you still, though I [G] put you on a pedestal

You [Am] put me on the pill, [F] I don't feel bad about [C] letting you go

[G] I just feel sad about [F] letting you [F/C] know

(Chorus)

[F] I don't want to change the [C] world, I'm not looking [C] for a New
[Am] England, are you [F] looking for another [E7] girl [G]

[F] I don't want to change the [C] world, I'm not looking [C] for a New
(1st) [Am] England, are you [F] looking for another [C] girl [G] [F] [C]

(2nd) [Am] England, are you [F] looking for another [Bb] girl

[C] I loved the words you wrote to me, But [G] that was bloody

[Am] Yesterday, I [F] can't survive on [C] what you send

[G] Every time you [F] need a friend [C]

[C] I saw two shooting stars last night, [G] I wished on them but

[Am] They were only satellites, Its [F] wrong to wish on [C] space

Hardware, I [G] wish, I wish, I [F] wish you'd [F/C] care

(2nd Chorus) [Bb] [Eb] [Bb] [Eb] [Bb] [D] [D]

My [D] dreams were full of strange ideas, my [A] mind was set de[Bm]spite [Eb]

My fears, but [G] other things got [D] in the way

I [A] never asked that [G] boy to stay [D]

[D] Once upon a time at home, I [A] sat beside the [Bm] telephone

[G] Waiting for someone to [D] pull me through

When at [A] last it didn't ring I [G] knew it wasn't you

[G] I don't want to change the [D] world, I'm not looking [D] for a New
[Bm] England Are you [G] looking for another [Gb] girl [A]

[G] I don't want to change the [D] world, I'm not looking [D] for a New
[Bm] England, are you [G] looking for another

[G] I don't want to change the [D] world, I'm not looking [D] for a New
[Bm] England, are you [G] looking for another [D] girl?

[G] Looking for another [D] girl x3

[G] [D] Girl... [G] [D] Girl... [G] [D] / Girl
