

## Demons - Imagine Dragons

**(Quiet)** When the [Eb] days are cold, and the [Bb] cards all fold  
And the [Cm] saints we see, are all [Ab] made of gold  
When your [Eb] dreams all fail, and the [Bb] ones we hail  
Are the [Cm] worst of all, and the [Ab] bloods run stale

[Eb] I want to hide the [Bb] truth, I want to shelter [Cm] you  
But with the beast [Ab] inside, there's nowhere we can [Eb] hide  
No matter what we [Bb] breed, we still are made of [Cm] greed  
This is my kingdom [Ab] come, this is my kingdom [Eb] come

### **(Chorus) (Louder)**

[Eb] When you feel my [Bb] heat, look into my [Cm] eyes  
It's where my demons [Ab] hide, it's where my demons [Eb] hide  
Don't get too [Bb] close, it's dark in [Cm] side  
It's where my demons [Ab] hide, it's where my demons ([Eb]hide)

**(Quiet)** When the [Eb] curtain's call, is the [Bb] last of all  
When the [Cm] lights fade out, all the [Ab] sinners crawl  
So they [Eb] dug your grave, and the [Bb] masquerade  
Will come [Cm] calling out, at the [Ab] mess you made

[Eb] Don't want to let you [Bb] down, but I am hell [Cm] bound  
Though this is all for [Ab] you, don't want to hide the [Eb] truth  
No matter what we [Bb] breed, we still are made of [Cm] greed  
This is my kingdom [Ab] come, this is my kingdom [Eb] come

### **(Repeat Chorus)**

[Eb] They say it's what you [Bb] make, I say it's up to [Cm] fate  
It's woven in my [Ab] soul, I need to let you [Eb] go  
Your eyes they shine so [Bb] bright, I want to save that [Cm] light  
I can't escape this [Ab]/ now, **[STOP]** unless you show me [Eb] how

[Eb] When you feel my [Bb] heat, look into my [Cm] eyes  
It's where my demons [Ab] hide, it's where my demons [Eb] hide  
Don't get too [Bb] close, it's dark in [Cm] side  
It's where my demons [Ab] hide, it's where my demons **[Eb]** / hide
