

# Liquid Lunch – Caro Emerald

[Em] [B7] [Em] Baby pass the aspirin, something's got to work  
I [B7] know I did it to myself, but man oh man it hurts  
That [Em] second last Martini, the one that went down real smooth  
[B7] Set me on a bender, with nothing left to lose

[Em] I.... just can't ap-olo-gise for... [B7] what I did to myself  
My [Em] bed's an ocean li-ner and [B7]/ I can't call for help...

[Em] Yeah baby it hurts a bunch, the girls got going and we had a munch  
I [B7] promise on a dime, it's the last time, I'll ever have a liquid lunch  
[x2] [Em] [Em]

I [Em] think I've got the symptoms, and none of them will leave,  
They [B7] think that it's a party, to laugh at all my grief  
It [Em] must have been a doozy I had two hundred dreams,  
At [B7] least I found my pillow 'cause I can't find my keys

[Em] It's... hard to re-mem-ber... [B7] all of the events  
But [Em] I... must have paid the tab 'Cause [B7] all that's left is fifty cents

[Em] Yeah baby it hurts a bunch, the girls got going and we had a munch  
I [B7] promise on a dime, it's the last time, I'll ever have a liquid lunch  
[x2] [Em] [Em]

**(Quietly)** [Em] May-be I can call the... phar-macy  
They'll [B7] bring something up... something up 'tout suite'  
[Em] Some ex-otic, med-icine to [B7] cure my every ill...  
With some kind of magic pill

**(Quietly)** [Em] I.... just can't ap-olo-gise for... [B7] what I did to myself  
My [Em] bed's an ocean li-ner and [B7]/ I can't call for help...
