## SINGLE STRUMS /

I [F/] guess I should have known by the  
[G/] way you parked your car

Side[Am/]ways that it [Am/] wouldn't [F/] last  
See [F/] you're the kinda person that be[G/]lieves in makin' out once  
[Am/] Love 'em and [Am/] leave 'em [F] fast

I [F] guess I must be dumb 'cause you had a [G] pocket full of horses  
[Am] Trojan and some of them [F] used  
But it was [F] Saturday night I guess that [G] makes it all right and you say  
[Am] What have I got to lose [G] and honey I say

**Chorus :** [F] Little [G] red cor[C]vette [C/] [Cmaj7/] [C/]  
[F] Baby you're [G] much too [Am] fast [Amadd9//]  
[F] Little [G] red cor[C]vette [C/][Cmaj7/] [C/]  
[F] You need a love that's [G] gonna last

[F] Guess I should have closed my [G] eyes when you drove me  
To the [Am] place where your horses run [F] free  
'Cause I [F] felt a little ill when I [G] saw all the pictures  
Of the [Am] jockeys that were there before [F] me

[F] Believe it or not I [G] started to worry  
[Am] Wondered if I had enough [F] class  
But it was [F] Saturday night I guess that [G] makes it all right  
And you say [Am] Baby have you got enough [G] gas oh yeah

**Chorus:** [F] Little [G] red cor[C]vette [C/] [Cmaj7/] [C/]  
[F] Baby you're [G] much too [Am] fast [Amadd9//]  
[F] Little [G] red cor[C]vette [C/][Cmaj7/] [C/]  
[F] You need a love that's [G] gonna last

A [F] body like yours [G] ought to be in jail  
'Cause it's on the [Am] verge of bein' ob[F]scene  
[F] Move over baby [G] give me the keys  
I'm gonna [Am] try to tame your little red [G] love machine

**Repeat Chorus x 2** [Am/]
