

Picking Up The Pieces - Paloma Faith

Intro: (1st 2 lines quietly) [G] [D] [Em] [C]

Do you [G] think of her, when you're [D] with me, repeat the
[Em] Mem-or-ies you made together, whose [C] face do you see
Do you [G] wish I was, a bit more [D] like her
Am I too [Em] loud I play the clown, to cover [C] up all these doubts

(Pre-Chorus)

[G] /Per-fect heart, she's flaw-less [D] she's the ot-her wo-man
[Em] Shi-ning in her splen-dour, [C] you were lost / **[STOP]**

(Chorus) Now she's [G] gone, and I'm [D] picking up the pieces
I watch you [Em] cry but you don't see that I'm the [C] one by your side
Cause she's gone [G] in her [D] shadow is it me you see
Cause all that's [Em] left is you and I
And I'm [C] picking up the pieces, she left behind [G] / **[STOP]**

I found a [G] photograph, behind the [D] TV, you look so
[Em] Happy, are you missing the [C] way it used be
And I have [G] changed this room around more often [D] lately
It's clear that [Em] we and these four walls
Still know it's [C] hers and yours

(Repeat Pre-Chorus and Chorus)

(Quietly) [G] Are we liars, in [D] denial
Are we smoke without the [Em] fire
Tell me please, is this [C] worth it, **(louder)** I deserve it

Cause she's [G] gone, and I'm [D] picking up the pieces
I watch you [Em] cry but you don't see that I'm the [C] one by your side
Cause she's gone [G] in her [D] shadow is it me you see
Cause all that's [Em] left is you and I
And I'm [C] picking up the pieces, she left behind [G]/
