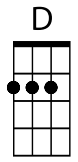
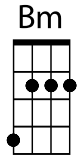
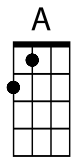
You're in love with a Pyscho - Kasabian



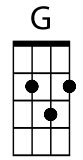
(Intro) [D] [Bm] [A]//



[D] You know it's the place I need
But you got me walking circles like a dog on a lead
And the doc[Bm]tors say I'm crazy, that I'm eight miles thick
I'm like the taste of macaroni on a seafood stick

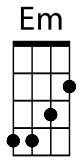


[A] And you [D] got me switched on, baby, like electric eel
And I'm tight with Axel Foley, that's just how I feel
Like a grape[Bm]fruit and a magic trick, the prodigal son
I'm walking, I'm walking, I'm walking, I walk [A]/ so [G] quick

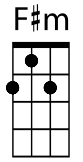


And it just don't mean a thing [A], we've been waiting far too long [Em]
We'll play it out again [A], this is just my serenade [D]

You're in love with a psycho, you're in love with a psycho [Bm]
And there's nothing you can do about it,I got you running all [A]/a [D]/round it
You're in love with a psycho, you're in love with a psycho [Bm]
And there's nothing you can do about it,you never gonna be [A]/with[D]/out it



Jibber jabber at the Bargain Booze
And reciting Charles Bukowski, I got nothing to lose
And I wait [Bm] for you to follow me to share my chips
But you're walking, you're walking, you walk, you walk [F#m] so[A] quick



Nobody's gonna take you there [A]/ [F#m]/ [A]/
[A] I stick around for the thousand yard [A]/ stare [F#m]/ [A]/
[A] I go to sleep in a duffle bag [A]/ [F#m]/ [A]/
[A] I'm never up, never down, down, down, down [D]

Hey, hey, hey, you're in love with a psycho, you're in love with a psycho [Bm]
And there's nothing you can do about it,I got you running all [A]/a [D]/round it
You're in love with a psycho, you're in love with a psycho [Bm]
And there's nothing you can do about it,you never gonna be [A]/with[D]/out it

You're in love with a psycho, you're in love with a psycho [Bm]
And there's nothing you can do about it,I got you running all [A]/a [D]/round it
You're in love with a psycho, tu amor es muy loco [Bm]
And there's nothing you can do about it
You never gonna be [A]/with[D]/out it
